XXL® i-Jack 35

Mobile headphone cable, 3.5 mm audio jack to 3.5 mm 90° audio jack

This five-star audio cable with 3.5 mm audio jack to 3.5 mm angled jack with its round cable geometry and particularly high-quality sheathing made from braided leather ensures perfect shielding against interference. The inner conductor made from highly pure copper (HPOCC) with double aluminium and braided copper shielding in conjunction with the perfectly shielded full-metal plugs is responsible for ensuring highest signal qualities and authentic transparent audio transmissions. The 24-carat gold-plated contacts guarantee perfectly reliable connections and protection against corrosion.
